

IEA Bioenergy Task 39

Brainstorming a revised/updated logo / web page header

March 2019

1.

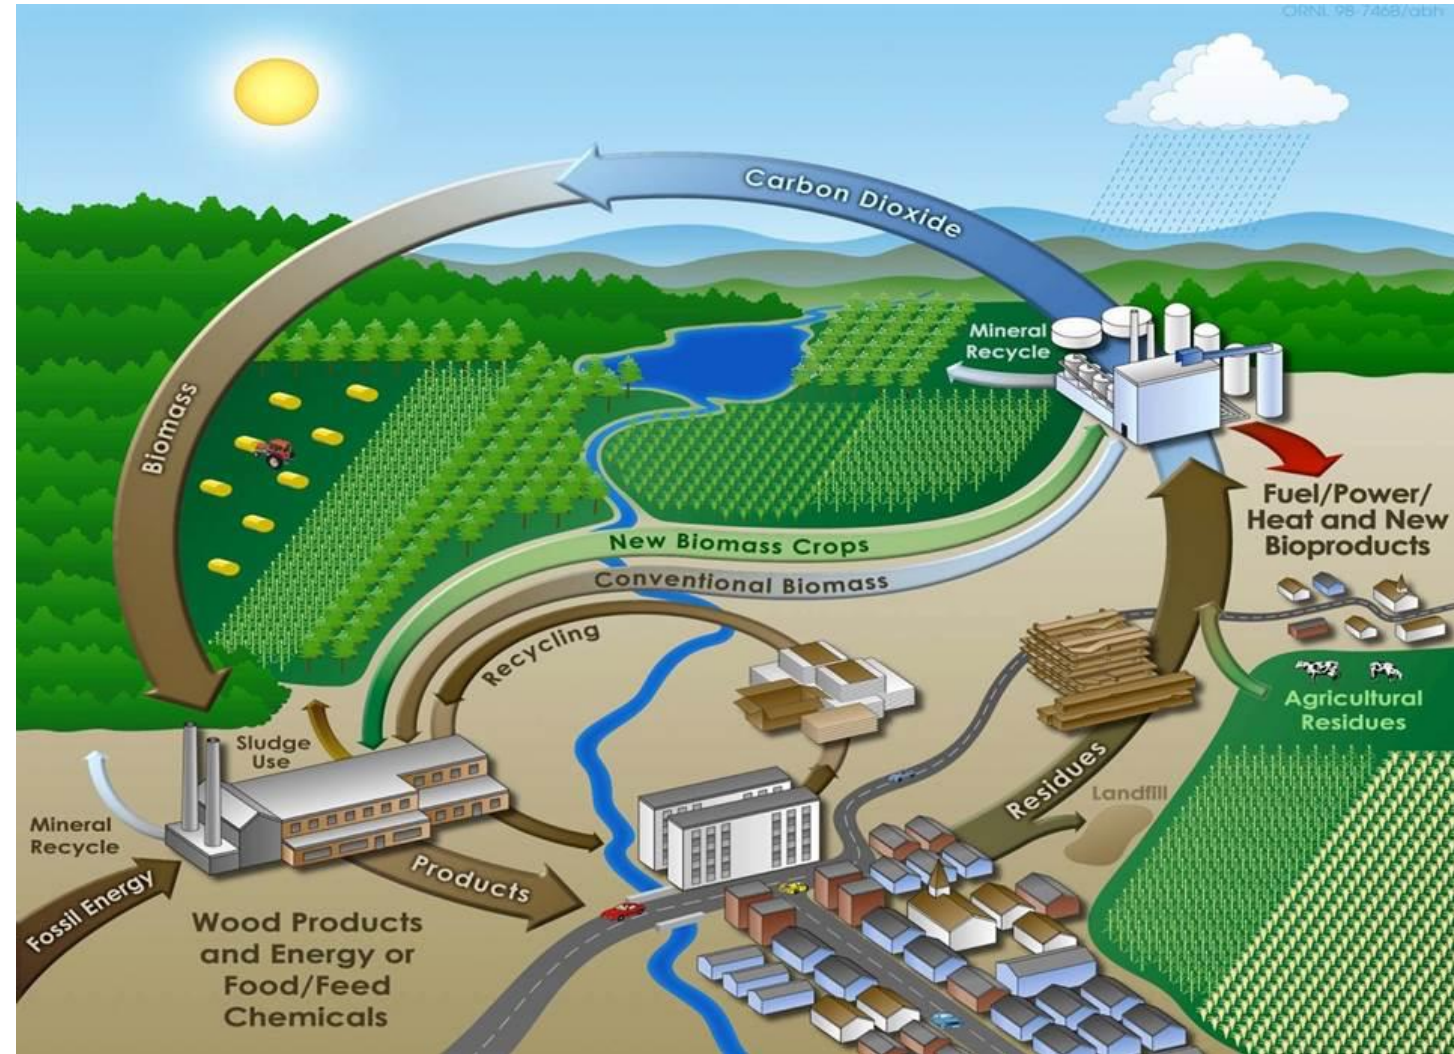

This is the more conceptual
“feedstock-conversion-
products” messaged logo for
SIMB’s annual SBFC meeting

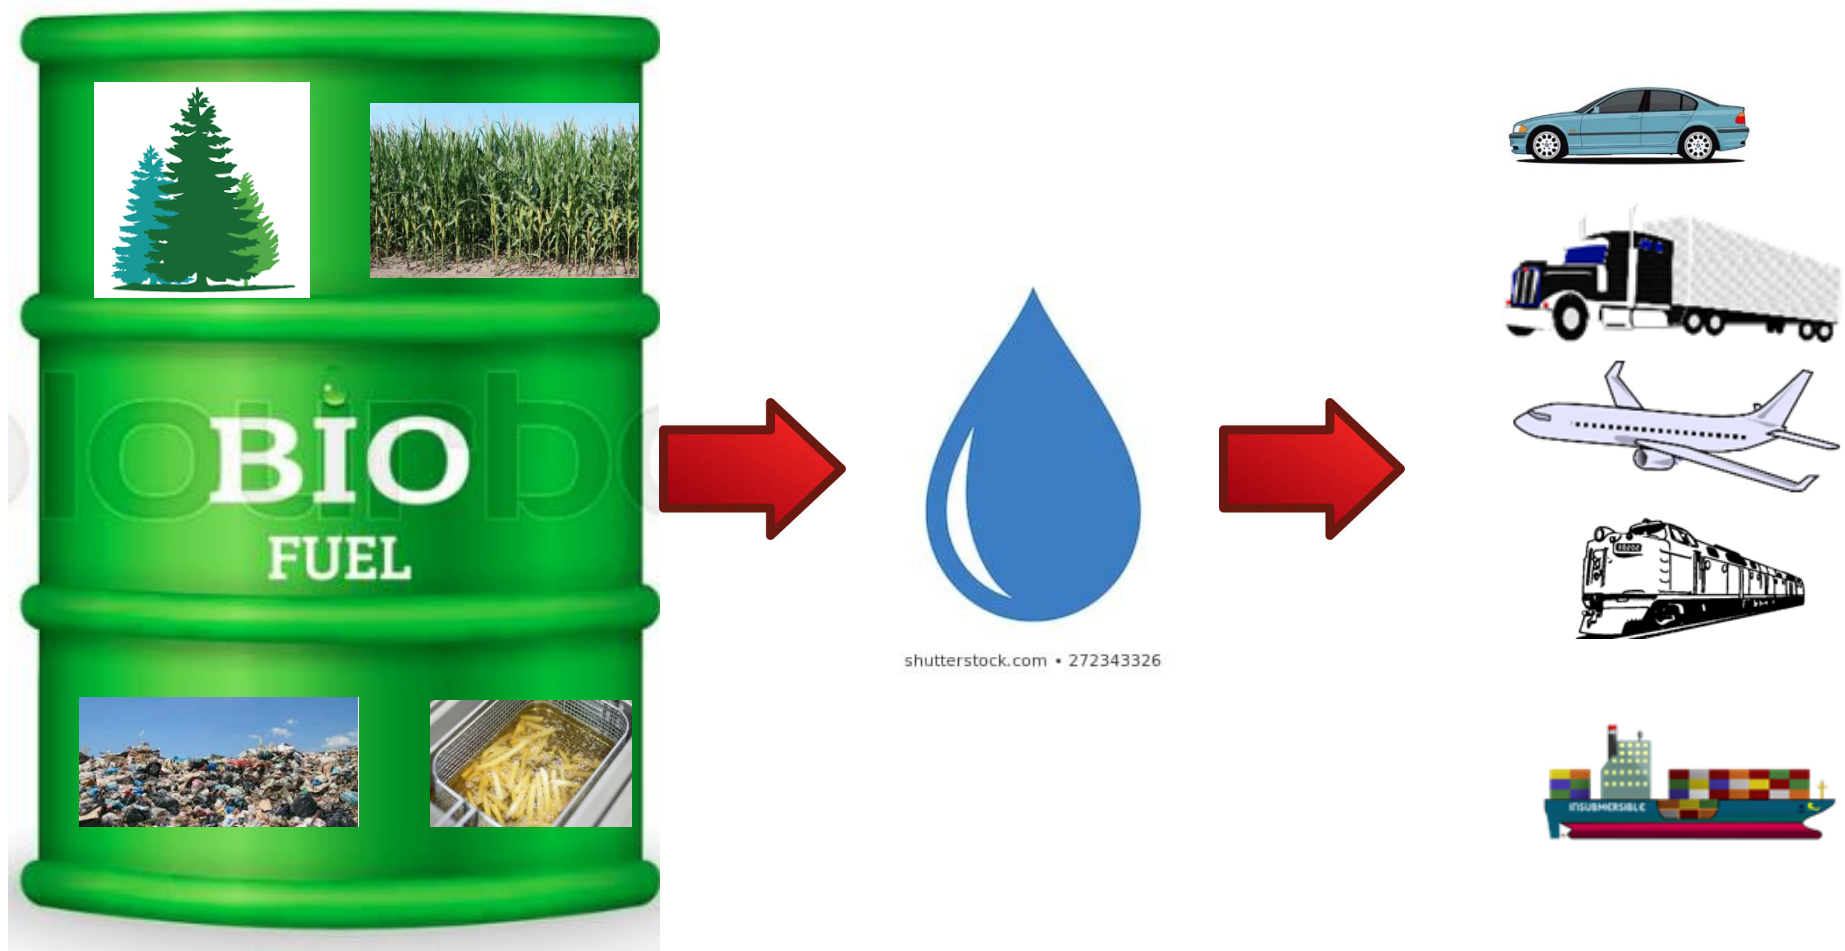

2.

3.

Commercializing Conventional and Advanced Transport Biofuels from Biomass and Other Renewable Feedstocks

Commercializing Conventional and Advanced Transport Biofuels from Biomass and Other Renewable Feedstocks
